MISSION

Mosaix builds healthy multiethnic and economically diverse, socially just, culturally intelligent, and financially sustainable churches.

VISION

To help multiethnic ministry outliers recognize they're not crazy or alone, experience personal encouragement, connect with others of like-mind, and access specialized equipping via a national conference once every three years.

2025 NATIONAL CONFERENCE

November 11-13, 2025
Dallas, TX

Launched in 2010, the triennial conference (avg. 1,200 per event) reflects the epicenter of a 25-year Movement to establish healthy multiethnic and economically diverse churches for the sake of the Gospel. In 2025, we are hoping to have 1,500 in attendance.
